

# The Association of Foreign Banks Biennial Banking Operations Conference

## Doing more with less Challenges for 2010/11

26 & 27 October 2009

The AFB Biennial Operations Conference offers members a cost-effective and time-efficient opportunity to keep up to date with the latest developments and industry best practice.

A two day modular programme, structured around four half-day sessions, will focus on a variety of key issues linked to Payments, Risk, Lean Operations Management and Regulation and Accounting.

As with previous events, the Conference will also be sponsored by some of the leading practitioners in the industry.

Delegate booking information and the full programme will be released shortly to AFB Members.
